

F.G. Miller Fundraisers ...

These high school basketball enthusiasts know what they need, and are willing to work for it — even when the equipment required has a \$10,000 price tag. Set to work toward their goal of glass

backboards with electric winches are (left to right) Amy Hawkins, Barbara Naber, Shannon Capjack, Sheldon Porcina, Matt Higgins and Michael Estey.

Basketball backboard fundraising underway

A group of F. G. Miller High School students have embarked on an ambitious fundraising project to aid their favorite sport of basketball.

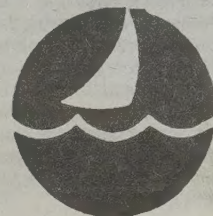

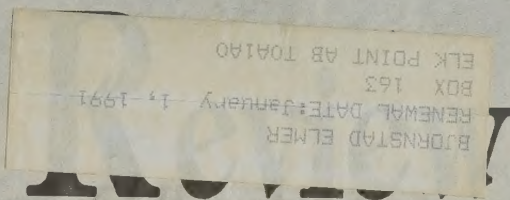

Battered wooden backboards with bent hoops and sub-standard brackets and winches which have been in use over the years at FGM need replacement, and the County of St. Paul finds the glass backboards with electric winches which the basketballers require to be out of their price range. Therefore, a group headed by Barbara Naber, with Lori Irvine as Treasurer, Shannon Capjack as Secretary, and Jim Hawkins as Staff Advisor has set out to raise the re-

quired \$10,000 themselves.

Their first activity of a fundraising nature will be to rake the greens for the upcoming Oilmen's Golf Tournament. Other funds will be raised through hosting dances, holding a shootathon, and other activities. Donations to the fund would be heartily welcomed, with all donor's names to be posted on the large sign the group has erected in front of the school.

A tentative date by which the students hope to reach their goal is November 1—the starting date for the basketball season. Watch the Review for reports on their progress.

Norway Valley celebrates with Homecoming

Over 400 people from as far afield as California, Arizona, Minnesota, Ontario and the North West Territories converged on Lea Park's Jubilee Regional Park this Heritage Day weekend for the Norway Valley Homecoming.

Motor homes, holiday trailers, truck campers and tents soon filled a large area of the park as visitors arrived Friday night for registration, with visiting with former friends and neighbors and seldom seen relatives going on until the wee hours.

Saturday featured activities for the whole family, from races and games for the youngsters to baseball, horse-shoes and a tug-of-war. Following an outdoor banquet, the guests were greeted by Member of Parliament Deborah Grey, MLA John Dro-

bot and County of St. Paul Councillor Bob Smith, and then enjoyed a program which included Norwegian singers. Tours of the Norway Valley area also were part of Saturday's program.

Sunday started off with a pancake breakfast, and offered more time for visiting, and to see the tentful of displays of old-time photographs, Norwegian clothing and crafts, and household items brought from the homeland by settlers.

Planning for the homecoming started last January, with the combined efforts of six families put toward the organization of the event. Their work was all worthwhile, however, as Joyce Nychoruk, one of the organizers, said, 'Everything was just perfect.'

Come to the Fair

It's time to gather up those vegetables, pick the perfect jars of preserves, bake that perfect loaf of bread, write on the little cardboard tags, load up the car and head for the Elks Hall: it's time for the Fair!

Elk Point's annual Agricultural Fair goes this weekend, with entries being taken Friday from 12:00 noon until 3:30 p.m., and public viewing scheduled from 2:00 p.m. to 8:00 p.m. on Saturday. Prizes will be awarded at 7:00 p.m.

Saturday evening.

For just \$1, you can enter as many exhibits as you wish in the competition (just one per category, of course), and take your chances at winning ribbons and cash prizes.

Even if you don't enter, be sure to come down and see the many fine exhibits. Elk Point has one of the best bench shows in northeast Alberta, and the Fair Board would like you to come and check it out.

See you at the Fair!

Sports poet a dinosaur fan

Alberta's sports poet, Frank Pavlick, wowed a large crowd ranging in age from preschoolers to senior citizens in Elk Point last week, with an entertaining presentation of his poems and piano stylings.

'This country is based on sports,' Pavlick said, with 'millions of kids on rinks and in gyms...and what about all the adults?' The national attraction to sports of all kinds led the Red Deer resident to put his observations into rhyme, with his poetry now featured in 17 newspapers and on 10 radio stations across the province. In addition, Pavlick has published a series of books of his works on hockey, golf, curling and other popular activities.

His current summer tour, hosted by local libraries and the Northeast Library Project, combines sports with another current favorite subject: dinosaurs. 'Dinosaurs are the neatest animals,' Pavlick enthused. After his lengthy research on the subject, he has found out 'such good stuff' about the ancient creatures that he plans to do a book about them.

Dinosaurs are well adapted to music as well as to poetry, Pavlick proved, getting his audience warmed up with a sing-along version of 'The Dinosaur Boogie.' Poems showing the adaptation of the immense animals to such sports as hockey, golf and jogging brought an enthusiastic response from the audience, as did the whimsical saying he taught the children: 'As the dinosaur said, 'If you want sunshine in YOUR home, TEAR OFF YOUR ROOF!''

Pavlick is a lover of libraries and books, who calls the public library 'a treasure' and who feels that books belong in all corners of the home, and in the traveler's luggage. As a memento of his visit to the Elk Point Public Library, he was presented with a li-

brary pin by Librarian Doreen Mayner.

Pavlick's 'exchange of an hour of my life for an hour of your life' was a welcome addition to the library's summer activity program, and one which was much enjoyed by all.

Ocean Pacific Winners ...

Winners of a draw sponsored by Ocean Pacific sportswear at Jeannine's Fashions were Maureen Fedorus (left), who received a skateboard, and David Anderson of St. Paul, who won a surfboard (accepted by Cher Barbazuk). Jeannine Boratynec presented the prizes.

Ag Society Horse Show coming Aug. 26

By Charlene Baker

Time is drawing near again for the Elk Point Ag. Society's Annual Horse Show. This year it will be held Saturday, Aug. 26th. Since we could not get our new grounds quite ready in time the Stoney Lake Stampede Association has generously offered us the Stoney Lake Stampede Grounds again this year for our show.

Last year we had an overwhelming amount of entries, 81, horses entered in all, and the show was a huge success.

This year we have some new classes on the agenda, which includes Pre-Green jumping, Senior and Junior. A big thank you to Joe Wadley for building our jumps for this event. We will also have 3 new 1st year exhibitor novice classes, 10 and under, 11-12 years, 16 and over, limited to people just starting out and wishing to show.

We have our usual classes: showmanship, english and western equitation and pleasure, reining,

western riding, and trail classes, a walk and trot class for 10 and under and a lead line class for 6 and under with entrants lead in by an adult. If time permits we will have junior and senior barrels and poles and bareback \$1 bill on a jack pot basis. The show classes are \$3.00 if you are pre-registered by Aug. 18th or \$4.00 post entry. There are rosette ribbons to 6th place plus 1st prize \$20, 2nd prize \$15, 3rd prize \$10.

Thank you to all the local businesses who have supported us again in this endeavor. They have sponsored the prize money for the classes, and will be written up in full with the winners after the show.

A concession will also be available all day. It's free admission to watch, so even if you don't ride come out and relax and watch the show. Show starts 9:00 a.m. sharp. Post entry - 8:15-8:45 a.m. For pre-registration or information contact Charlene Baker 724-2560, Josie Veer 724-3030 or Lisa Nielsen 724-2090.

See you at the show!

Celebrating heritage

There are many ways to salute our heritage, and a number of these were included in celebrations across the province this past weekend, in our own area and those around it.

Those of Norwegian descent, and those who settled near them in the Norway Valley east of Heinsburg gathered for a full-scale homecoming, complete with many facets of the Norwegian culture, from songs to costumes to krumkake iron to the many meanings of the multipurpose phrase, 'Uff Da.'

Others celebrated the traditions of the old West by loading covered wagons with the bare essentials of life and hooking up the horses for a week long trek through the wilderness.

At Fort George, the holiday was spent continuing the research into the past of 200 years ago, a heritage which served to bring the first European and eastern Canadian ways to

this area, and the records of which encouraged later forays to the western Canadian frontier.

Other celebrations around the country ranged from cricket games to ethnic meals, from family reunions to rodeos.

All have one thing in common: the passing down of skills and traditions from generation to generation, be they the old songs in the language of the homeland, the open-range methods of roping a calf, the sight of a long line of wagons heading into the wilderness, or the countless, carefully placed stitches that go into a quilt.

Whatever our background, our heritage is a priceless part of ourselves which can only be kept alive by passing it on to our children and our grandchildren. In many ways, we do this all through the year. Heritage Day is just an annual reminder of the importance of the preservation of our past.

D. N. S. Wagon Train Company

(Tune: The Covered Wagon Rolled Right Along)

Floyd and Nellie's was the grand old meeting place
Even tho' they were too old to hack the pace
Anything we couldn't find
They wouldn't see us in a bind,
To keep those covered wagons moving on.

When those covered wagons started rolling on
Each and every dude sang out a happy song
When they left from Fishing Lake
They knew their lives were all at stake
But those covered wagons started rolling on.

Gaby was the leader of the mottley crew
Telling everyone that he would see them through
Times he knew he should keep quiet
He just said "Oh! heck let's try it"
And he kept those covered wagons rolling on.

Clint had to keep those wagons fit to roll
From the broken wheels down to the broken pole
Clint said "Norma, take your skillet
With wild rabbits I will fill it"
While those covered wagons keep a-rolling on.

Clinty's sidekick Sammy came along
Helping keep those wagons tuned up to a song
When he'd see a rabbit hoppin'
He'd be helping Norma bop 'em
Till they'd see those covered wagons rolling on.

From the city there comes Sandy down the road
Hopping up and down, you'd swear he was a toad
Lori said "Oh, quit your bragging
Or I'll hitch you to this wagon
Just to get this covered wagon moving on."

When it came to crossing muskegs Vic had luck
Every itty-bitty stream his team got stuck
When he'd grab a stick to beat 'em
Jean said "Kill 'em and you'll eat 'em
Help me get this covered wagon rolling on."

All the kids were more than ready to set sail
They just couldn't wait each day to hit the trail
From the youngest to the oldest
Each one tried to be the boldest
In those covered wagons that kept rolling on.

Wayne's great ambition was to rope a bear
If it ran right over camp he didn't care
Helen's eyes went kinda hazy
She was sure Wayne had gone crazy
Like those covered wagons that kept rolling on.

We asked Ann to take along her first-aid kit
That her job was keeping everybody fit
Let's just hope she don't turn blind
Before she doctors our behinds
When those covered wagons stop a-rolling on.

If Jackie couldn't join it wasn't fair
Even tho her specialty was trimming hair
Anything gets in her way
She'll put those scissors into play
Even with those covered wagons rolling on.

Everybody knows Keith's nite life is to prowl
So at nite he'd sit upon his horse and howl
Jackie said "Why don't you can it
Or else take your hat and fan it
Wait till dawn and see these wagons rolling on."

Poor Cindy felt like she was in a zoo
Everytime that Gaby asked her what to do
She'd tell him "No need to panic"
Then she'd run and fetch the bannock
As they fed, the covered wagons moved along.

Now the covered wagon's barely limping on
And the tired dudes groan out a tired song
But everybody's in good spirits
Until next year they will cheer it
When again our wagons join up with our throng.

With love
Nellie Nelson

Issues will come out in the wash

Dear Editor:

I have known Mr. Helmut Entrup for many years while he served this province as its Farmer's Advocate. The Mr. Entrup I know is an outspoken man who never minced words and definitely never denied a statement he made even when he got in hot water. But maybe now that Mr. Entrup is eyeing the possibility of entering Alberta's first race to elect a Senator to go to Ottawa, his outlook have changed.

I did not speak with Mr. Entrup ten days before his letter appeared in last week's issue as he stated. I tried to get hold of him last June 26th. I failed to get him at the office and a few days later I reached him at his home.

June 26th was the date the formal request together with the signed petitions were mailed to the Head of Agriculture and Community Service of the Department of Agriculture to have the local Ag. Society investigated. The purpose of my call to Mr. Entrup was to inform him as to what was going on and point out the possible adverse political implications that could occur if taxpayer's money in form of grants were handed out in the meant time.

Mr. Entrup seemed to be aware of the impending request for the investigation. This was previously discussed with various other government people including the local M.L.A.

I categorically state that the closing statement of Mr. Entrup during that telephone conversation was what I quoted in my article "Transients not the only issue here."

It seems Mr. Entrup is mixing the conversation he had with me with others he had on the issue. The grant Mr. Entrup referred to in his letter of last week was the small \$7700 applied for earlier this year which according to the Ag. Society meeting of last April it was going to be withdrawn. What I talked to Mr. Entrup about in the referred phone call were the much larger grants mentioned at the last annual meeting of the Ag. Society held on May 26th, and not the request

for the \$7700.

The remarks of Mr. Entrup were basically the same as expressed by most other government people with whom the matter was discussed. I quoted Mr. Entrup for no other reason other than his name is the one most people could relate to. Anybody who has been in the agriculture business during the last ten years or so is familiar with the name of the former Farmer's Advocate.

I appreciate Mr. Entrup's unwillingness to become involved in a local issue such as this within the Elk Point community when his political aspirations are set quite high. It seems Mr. Entrup decided to start practising the art of the politicians, that of ducking when the going gets rough.

But this is a public issue involving taxpayers money. He did appreciate the political ramifications of it at the time. Most probably his statement was the only one that could be said by anybody who wants to save the government from some embarrassment. It is interesting to note that while Mr. Entrup is denying of having stated the comment, he is not denying the fact that no taxpayers money should be made available till after the investigation as I quoted him.

Well Helmut, you have not lost my vote yet! I know that when all the facts are made public you will have no difficulty with your statement and give us one of your patriarchal advise the farming community is accustomed to expect from you.

I do not want to get involved at this time in the issues of the Ag. Society leading to the forthcoming investigation. All the issues will come out in the wash when the investigation gets underway.

To Shirley Harms, I want to remind her of the saying "Fools rush in where angels fear to tread." At last we got a written admission of trying to ban specific people from a public place financed by taxpayers money. Thank you Mrs. Harms. I suggest you get hold of Mr. Mike Glover of the Oilmen's Association. He seems to be familiar with the Candian Charter of

Rights and Freedoms and the other human rights legislation. I am sure he will fill you in as to where you are wrong.

Nothing more can be achieved at this time regarding the Ag. Society's issues and I don't see the point of pursuing this further in public till after the investigation. I thank the Editor for providing me with an opportunity to inform the responsible people of this community as to what is going on and also to express any preference to the Elk Point of some years back.

Women and fitness

The Women's Program at Fitness Canada is in the process of collecting data for the publication of an agenda/calendar book, illustrating Canadian girls and women and their daily participation in physical activities. This agenda/calendar will be for a 16 month period from September 1990 to December 1991. Our goal is to demonstrate that everyday girls and women, in their own way and rhythm, participate in physical activity in order to better their well-being.

We invite you to write to us and nominate girls and women, whose efforts should be acknowledged in this agenda/calendar. We would like to include stories of all disabilities.

Who should you nominate? This agenda/calendar is aimed at saluting the grandmother, mother, sister or neighbour, who does think that their fitness is a serious issue and are willing to try and better it, in every little possible way they can.

We would appreciate receiving your nominations by August 31, 1989. Please print your nominee's name, address and telephone number as well as your own.

Nominations can be forwarded to the Recreation Office, Box 728, Elk Point, Alberta, T0A 1A0; before August 31, 1989.
